PROJECT MORRY 2026 HONOREE

From Generation to Generation

Our children grew up at Camp Laurel — 27 camper years of friendship, independence and unforgettable summers.

They returned as counselors, made lifelong friends and learned so much along the way.
(Wendy even joined the fun as camp doctor.)

Through it all, Keith, you have been so much more than the owner of their camp. You've been a mentor, a constant source of support, and a dear friend to our entire family.

Now, as the next generation arrives, we can't wait for our grandchildren to experience the same Laurel magic.

Thank you, Keith,

for your extraordinary dedication to children and for the incredible difference you make in so many lives.

WE LOVE YOU.
